1 Introduction

This is just a test
hehe This is a new line in my editor
I'll be talking about lists in section 2
You have to return twice to actually skip a line
This is normal text **This is bold text**
mental illness is endemic to capitalist systems.[**Cap˙Realism**]
complex stuff is complex [**Complexity**]
Zizek is fucking based [**Perverted˙Guide˙Global˙politics**]
Saramago is a pretty awesome lad [**Blindness˙Saramago**]
as **Complexityempty citation** says, there's no such thing as a simple mind.

1.1

This is italics
This is emphatic. NO I'M NOT ITALIC
<u>helo, meesa underline</u>
